

**Susini College**

**Limassol - Nicosia**

## The College of Beauty Therapy and Professional Make Up

**Susini College** is a Higher Education establishment successfully operating in Limassol and Nicosia for the last 34 years. It is well known for providing high level education and training to its students.

The specialisation of the college in Beauty Therapy and Professional Make Up, the long experience, the quality education and practical training and the pleasant and creative study environment, makes it unique.

The programmes of study meet with the European standards of education and their quality is based on the design and content of the analytical programmes, the fully equipped workshops, the means and methods of teaching and training and the tutors qualifications and experience.

## Courses of Study

### BEAUTY THERAPY

#### 1. Aesthetics and Beauty Therapy (2 Years, Diploma)

The two year programmes of study in Aesthetics and Beauty Therapy offered in Limassol and Nicosia, have been approved by the Ministry of Education and Culture and accredited by the Council of Educational Evaluation- Accreditation (C.E.E.A.).

The programmes provide a high level basic education to students with theoretical knowledge and technical skills that enable them to offer quality services in beauty therapy.

The programme includes subjects such as: Facial therapy, Body therapy, Aromatherapy, Make Up, Artistic Make Up, Manicure- Pedicure, Nail Techniques, Depilation, Epilation etc., as well as Anatomy, Physiology, Dermatology, Aesthetic Surgery, Diet and Nutrition, Business Studies, Gymnastic Exercises, First Aid, etc.

The graduates of the programmes are awarded the **Diploma in Aesthetics and Beauty Therapy**.

#### 2. Applied Aesthetics and Beauty Therapy (3 Years, Higher Diploma)

The three year programmes in Applied Aesthetics and Beauty Therapy offered in Limassol and Nicosia have been approved by the Ministry of Education and Culture and accredited by the Council of Educational Evaluation- Accreditation (C.E.E.A.).

The programmes provide a higher level education and training to students with theoretical knowledge and technical skills that enable them to offer high quality, specialised services in beauty therapy.

The three year courses, besides the subjects offered in the two year course include also subjects such as: Advanced Aesthetic Treatments & New Technologies in Beauty (e.g. Photolysis, Mesotherapy etc.), Nail Techniques, Spa therapies, Aromatherapy, Stone therapy, Reflexology, Indian head massage, Ayurveda, Shiatsu massage. Creative Make up etc. as well as in Advanced Dermatology, Information Technology, Business Management and Organisation, English etc.

The graduates of the programmes are awarded the **Higher Diploma in Applied Aesthetics and Beauty Therapy.**

### 3. Beauty Therapy and Contemporary Alternative Therapies (4 Years, BSc)

The four year programme in Beauty Therapy and Contemporary Alternative Therapies offered in Limassol has been approved by the Ministry of Education and Culture and accredited by the Council of Educational Evaluation- Accreditation (C.E.E.A.).

The programme provides to students a degree level education and training with advanced theoretical knowledge and special skills that enable them to offer high quality services in Beauty therapy and Alternative therapies.

Besides the subjects offered at the three year course, the four year programme elaborates further in Electrotherapies and New Technologies, in Alternative Therapies, Creative Make up etc. and includes subjects such as: Aesthetic Laser applications, Stress Management with Alternative therapies, Environmental effects in beauty therapy, Cosmetic products and effects, Pharmacology principles, Psychology - Professional relations and Ethics etc.

The students during the last semester of their studies prepare their dissertation and gain practical experience at work places.

The graduates of the programme are awarded the **Bachelors Degree (BSc) in Beauty Therapy and Contemporary Alternative Therapies.**

### Career Prospects

The graduates of the Beauty Therapy programmes are capable to successfully organise and manage a beauty salon, employed in health and beauty centres, hotels, Spa, cosmetic companies and cooperate with health centres, gyms etc.

The acquisition of advanced knowledge and special skills beyond the basic two year training, enables graduates to offer additional services in beauty therapy and complementary therapies and thus, have increased opportunities for employment- including cooperation with doctors (e.g. Dermatologists, Plastic surgeons etc.) and in the Education sector.

College graduates are accepted for registration as members in the National Syndicate of Aesthetics and Cosmetology- CIDESCO Section Cyprus, hence in CIDESCO International and they can attend the CIDESCO

World Congresses. They can also submit an application to become members of the Cyprus Association of Beauticians.

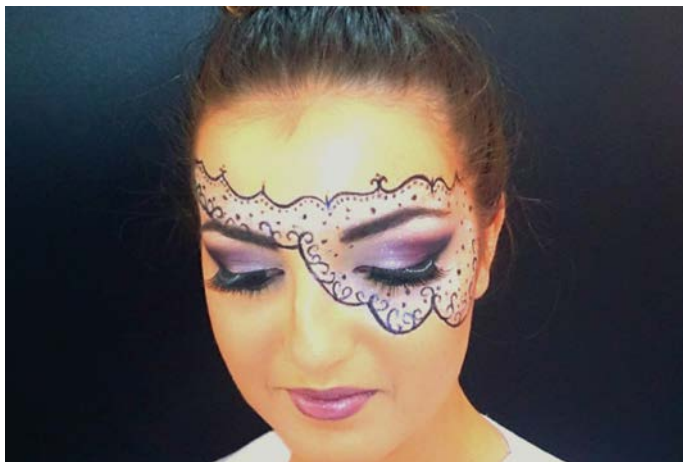

## PROFESSIONAL MAKE UP

### 4. Professional Make up (2 Years, Diploma)

The two year programmes in Professional Make Up offered in Limassol and Nicosia, have been approved by the Ministry of Education and Culture and accredited by the Council of Educational Evaluation-Accreditation (C.E.E.A.).

The programmes include Make up for the theater, cinema, television, video, photography, fashion and special effects. They have been designed to provide high level education and training to students with theoretical knowledge and technical skills that enable them to offer quality services in Professional Make Up.

This course of study includes subjects such as: Make up techniques, Make up Promotion and Sales techniques, Special Make up for cinema, video, TV, fashion and

photography, Theater Make up, The History of Make Up, Studio-Hairstyle, Painting of the face and body, Hair and Wigs, Make up design technique, Moulding and Sculpting, Special effects etc.

### Career Prospects

The graduates are capable to work freelance as professional Make Up Artists, to create their own Studio Make up, or/and to work in television, theaters, cinema, photographic studios, fashion magazines, cosmetic products companies, advertising companies etc.

The graduates of the programme are awarded the **Diploma in Professional Make Up.**

## **Accreditation of the Programmes of Study**

The accreditation of the programmes of study by the State Authority of Cyprus, the Council of Educational Evaluation-Accreditation (C.E.E.A.), reaffirms the quality and high level education and training offered by the College.

## **Student Grant**

A student grant is offered by the State to students attending accredited programmes of the college, in accordance to the respective legislation.

## **International recognition and CIDESCO Examinations**

The contacts with European Educational Institutes and International Professional Bodies contribute to the continuous upgrade of the programmes of study. The College has adopted the European Credit Transfer System (ECTS) in accordance to the European standards of education.

The College is also accredited by the International Beauty Therapy and Cosmetology Organisation CIDESCO (Comite International d' Esthetique et de Cosmetologie) and thus, the students having successfully attended the college programmes of study could take the CIDESCO Examinations. These examinations are organized on a worldwide level and upon successful outcome students may obtain the reputable CIDESCO Diplomas in Beauty Therapy, Spa and Aromatherapy, which are of international acclaim.

## **Employment - Future**

The long establishment, specialisation and experience of the College in offering high level, quality education and training in Beauty therapy and Make up is acknowledged by the market and the employers. Consequently, the demand for college graduates is constant making Susini College a perfect choice for studies in Beauty Therapy and Professional Make Up.

## **Admission requirements**

Applications for admission in the programmes may be submitted by graduates of Lyceum or other secondary schools, public or private, who have completed at least six years of education in High School and hold a School Leaving Certificate, or any other equivalent qualification.

## **Offer of a place - Registrations**

A place for a specific semester is offered to students at any time. New students may be admitted twice a year, in September – October and in January - February.
